## NYDEC Summer Environmental Education Camp Scholarship Application 2010

This scholarship application is for sponsorship for one week of camp at a New York State Department of Environmental Conservation Summer Environmental Education Camp. The scholarship is open to those students who are Town of Red Hook residents, including the Villages of Red Hook and Tivoli, or who attend school in the Red Hook Central School District. Students must be between the ages of 12-14. Campers must be 12 years old by December 1, 2010 to participate. Please do not apply if you have been a previous scholarship recipient or have previously attended a NYSDEC Summer Camp.

1. Parents or guardians of scholarship recipients are responsible for camper's transportation to and from the camp.
2. Choices for camp locations and weeks are listed on the attached NYSDEC camp application(s).
3. Please complete both this scholarship application and the appropriate NYSDEC camp application(s).
4. **The completed scholarship and camp applications must be received no later than 4pm January 12, 2010.** Please mail or deliver to:
