

TOWN of RED HOOK

Citation of Commendation In Honor of Justice Jonah Triebwasser

On behalf of the Town Board and citizens of Red Hook it gives me great pleasure to present this Citation of Commendation to Justice Jonah Triebwasser, who diligently and faithfully has served both the Town and Village of Red Hook as local magistrate.

His judicial comportment and integrity is widely recognized and much admired by his legal colleagues and staff, as well as those who appear before him. His ability and willingness to communicate is greatly appreciated by all. Although the position of local Justice often requires long and unpredictable hours, Justice Triebwasser willingly serves with distinction.

His community service has been inspirational to those who know him, especially his leadership and commitment to Rotary Club, Boy Scouts of America, and theatrical productions throughout the region.

Regrettably, due to former commitments on June 27, I am unable to attend his induction as **President of the Dutchess County Magistrates Association for 2011-12** and applaud the honor of his having been named **Magistrate of the Year**. Three cheers for a long standing public servant in whom the community of Red Hook is justly proud.

Sue T. Crane, Town Supervisor
Town of Red Hook
