NEWS BRIEF

Red Hook Town Clerk Sue McCann reminds residents that the Department of Environmental Conservation has issued new regulations regarding outdoor burning. The ban does allow for some exceptions, including the burning of tree limbs and branches from May 15 through March 15 in towns with less the 20,000 people. Small campfires and barbecue grills are still allowed. Burning of leaves, garbage, building materials or treated wood is prohibited. The state has also eliminated the use of burn barrels. Burning permits are NO longer necessary.

Town Clerk McCann informs residents "no fire shall be unattended at any time or left unattended until entirely extinguished". We also advise residents to be considerate of neighbors when burning.

For further information contact the clerk's office at 758-4606.
