

Learn more about Central Hudson's Home Energy Saver program at an Open House on Tuesday, August 2, 2011, from 6 p.m. to 9 p.m. at Red Hook Town Hall (7340 South Broadway, Red Hook). This event is open to both enrolled participants and interested residents, and will review the program highlights together with the installation and use of the Home Energy Saver smart thermostat and equipment, and the on-line energy management website. Come at your convenience, and stay for as long as you'd like.

Central Hudson's Home Energy Saver program is a pilot project designed to help residents and small business owners use energy more efficiently and reduce overall load when electric demand is highest. Central Hudson, the Town of Red Hook, the Village of Red Hook and the Village of Tivoli are working together to introduce this innovative program to the Red Hook area. As a show of appreciation, residents who enroll in the program will receive a \$25 gift certificate to a local restaurant and a chance to win a 42-inch Energy Star flat screen television.

For more information on the Home Energy Saver program or to enroll, visit www.CentralHudson.com/HomeEnergySaver, or call (845) 452-2010 weekdays or 1-877-453-9612 evenings and weekends.
