

Upper Route 9G Corridor Management Plan (CMP)

The Poughkeepsie-Dutchess County Transportation Council (PDCTC), the designated Metropolitan Planning Organization for Dutchess County, has undertaken this federally-funded project to complete a Corridor Management Plan (CMP) for a section of NYS Route 9G from CR 78/Broadway/West Kerley Corners Road in the Village of Tivoli to NYS Route 199 in the Town of Red Hook. The study area also includes CR 103/Annandale Road through Bard College and CR 78/Broadway through Tivoli. The CMP will assess existing transportation conditions, analyze historic crash data, and include a formal safety assessment of the corridor. Join us at the Open House to learn more about the project and participate in interactive activities to share your experiences along the corridor.

WEDNESDAY, MAY 6, 2015

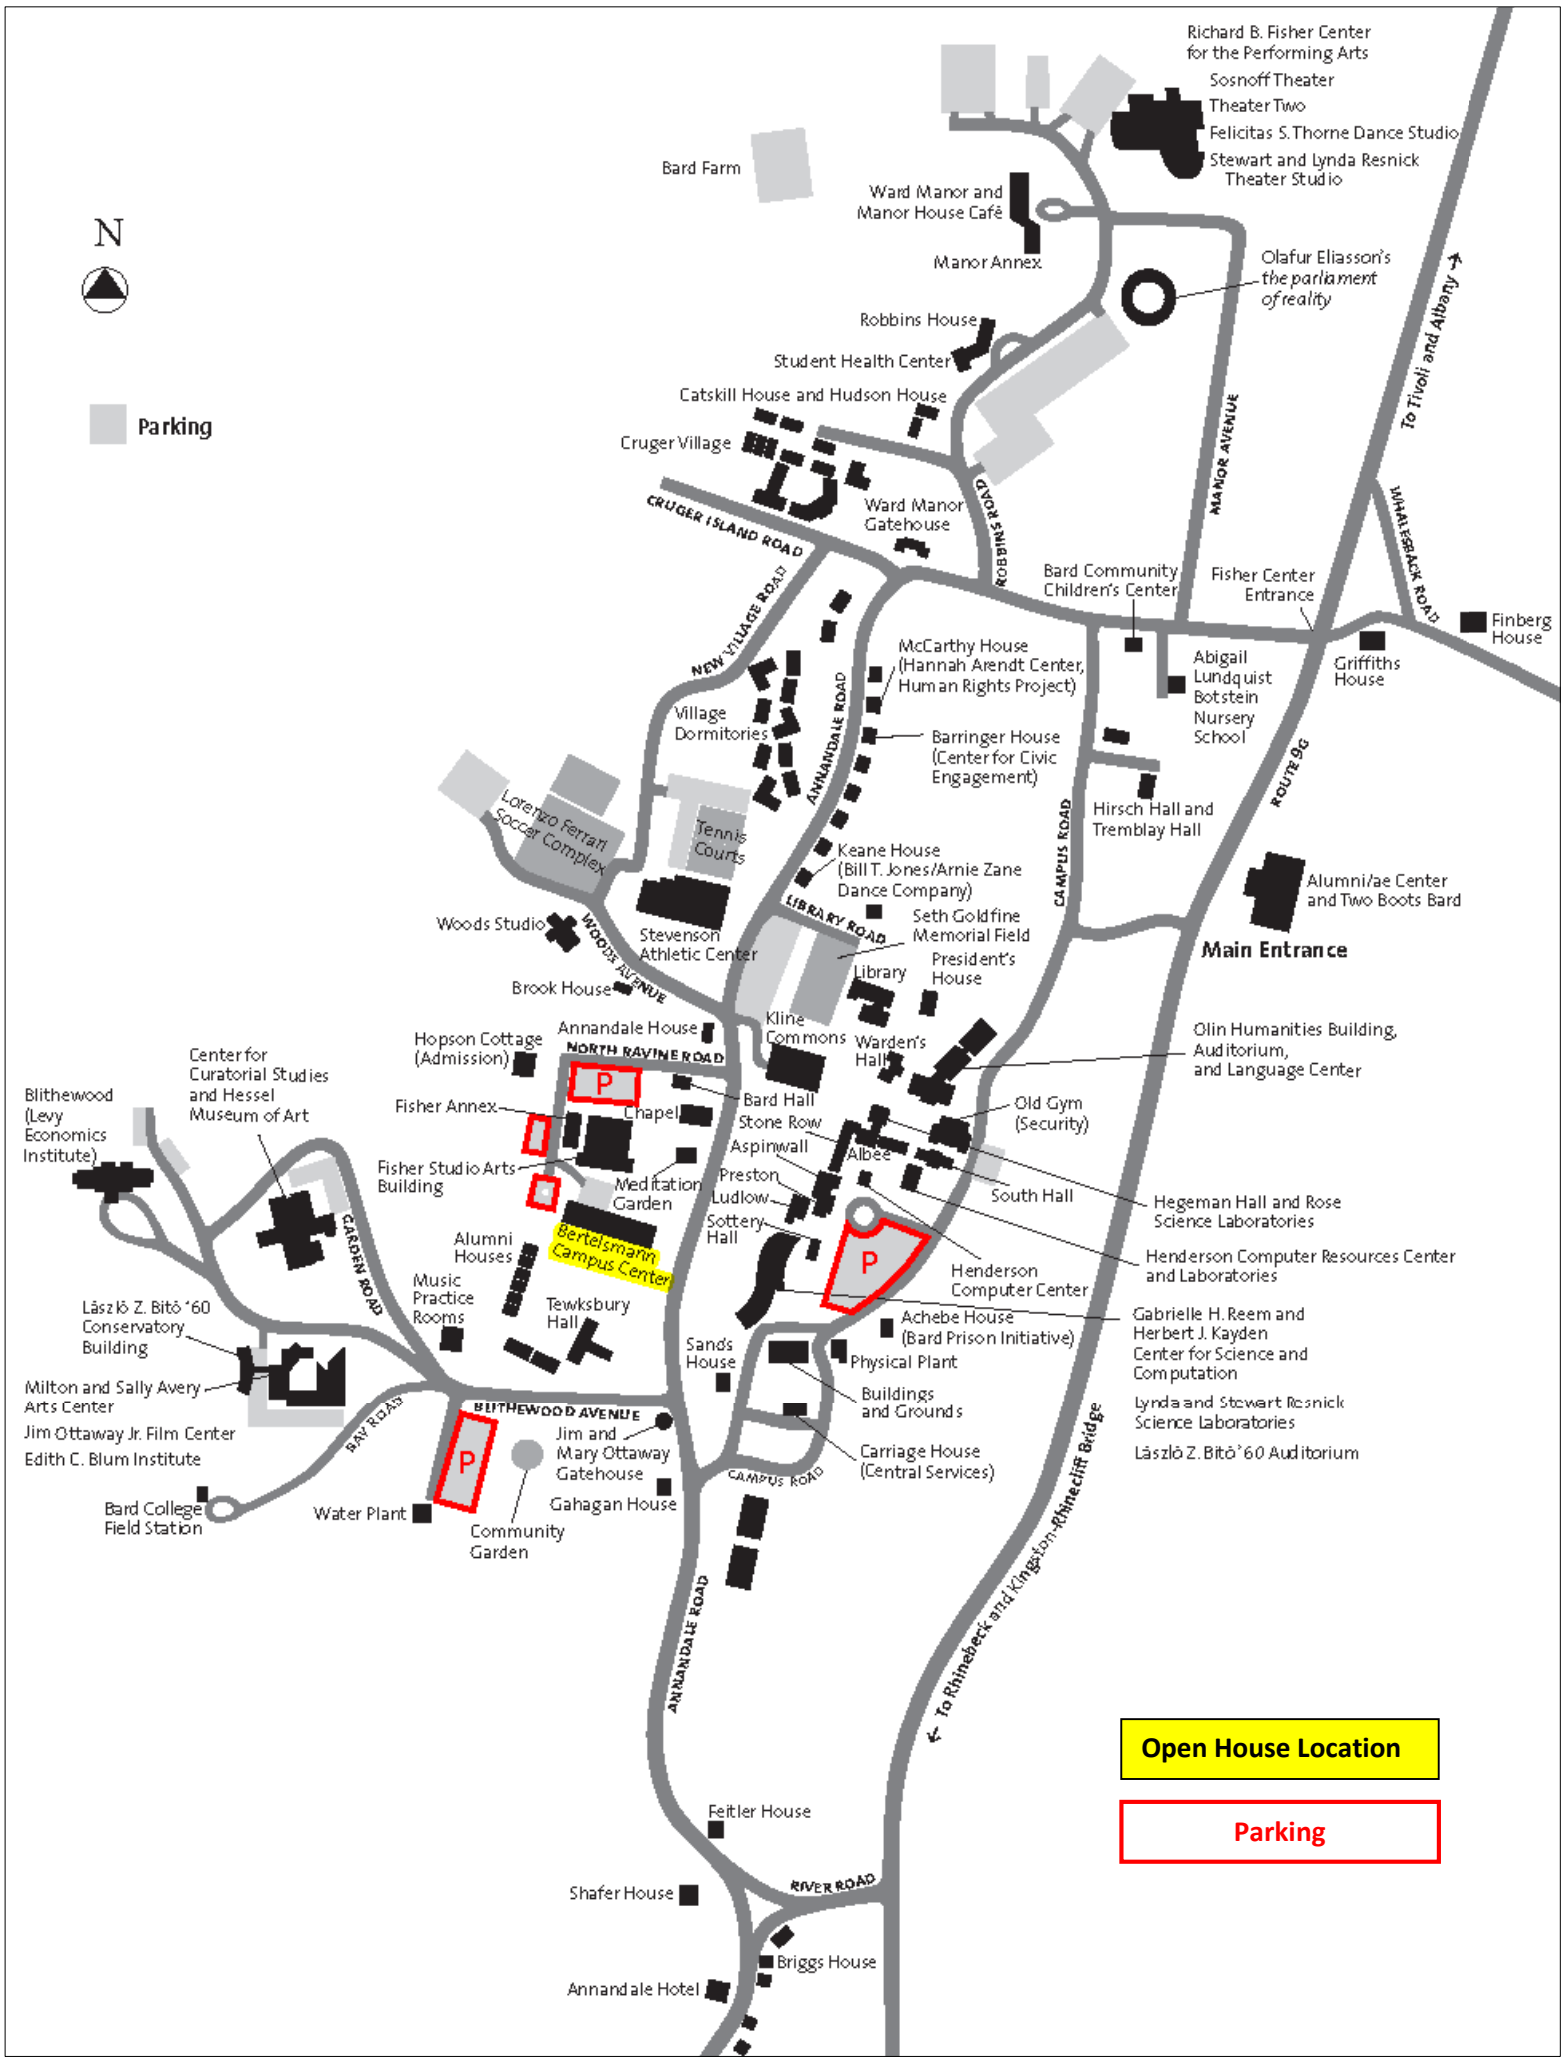

**@Bard College,
Bertelsmann
Campus Center,
Multipurpose room**

Open House Session 1:
2-4pm (drop in any time)
Presentation at 2:30pm
