

Town of Red Hook LWRP Advisory Committee
Meeting minutes

July 8, 2020. The meeting began at 7 p.m. online via zoom

Members present: Bill O'Neill, Brent Kovalchik, Amy Husten, Christine Kane, Paula Schoonmaker and Planner Ted Fink

The group reviewed the draft maps that would support Section I, The Waterfront Revitalization Area Boundary map, and Section II, Inventory and Analysis.

After the group completed the review of the eight maps, Paula said she would contact Community Planning and Environmental Associates with a list of items that would need to be corrected before the maps went to the Department of State.

Paula and Ted discussed how to complete the narratives and maps so that they are ready for submission.

The group agreed that there would be no reason to set a new meeting date until the Department of State had a chance to look over the two sections.

The meeting was adjourned at 9.00 p.m.
